# > CLAROS CONGRESS AND TOURISM SERVICES

## Professional services of an expert staff from the offer stage until the end of the congress

With its team of experts, Claros Tour organizes the communication with delegates, sponsors and attendants, which is one of the main elements of a congress. Manages the projects from the offer stage until the end of the congress. Provides supervision and management of budget and cash flow control, business-related and scientific schedule development, provision of informative materials, presentations, communications and technologies, social programs and entertainment events, tours, transfers, travel and accommodation. Claros is your solution partner for generating ideas and assessing the situation.

### 12 - YEAR EXPERIENCE

We reflect our experience and expertise to all of our services and transform these to persistent memories to be remembered.

### TEAM OF EXPERTS

We are going beyond borders for excellence in service with our dynamic staff members, who are experts in their relevant fields.

### THE RIGHT SOLUTION

We are providing specialized solutions with our expert staff to help you save time.

### EASILY ACCESSIBLE

A high-quality team that may be accessed any time upon request and sustainable communication management

### TRANSPARENT

Budget management with transparent and clear planning

### ORIGINAL

Personalized and event-specific ideas instead of ordinary solutions.

## Project

Claros has gained reputation by implementing different concepts and practices to each project. In order for a project to achieve its objectives, clearly defined methods and measurement methods are used at each stage.

In order for your project to be carried out in a sound, effective and economical manner, the required strategic and logistic support is provided at every stage of the project. Claros equips the team members engaged in the process with the required knowledge, experience and outstanding technical capabilities and manages these individuals in harmony.
